Mark Hopkins Esq
Sac. City

Dr. Sir, I forward to day per Wells, Fargo & Co. an account against the C P R R Co. accused by Mr Judah, my clerk presented the bill to him on board the Steamer as he was about leaving the city - for his endorsement & he made some hurriedly written corrections on it; in explanation I will state that the time given for the hire of the Leveling Instrument in my bill is correct, as he obtained it from me a month before the chain was sent for, with regard to the rate of hire $20- per month a verbal agreement was made to that effect but I am perfectly willing to take his interpretation of it, $15- as I may be in error; when Mr Judah returns I think I can convince him that he had the instrument 2 months & settlement can then be made for the remaining month.

Very respectfully
Yours
Thomas Tennent.
